## Funky Picnic to Ring in the New Year with New Eats

**FORT WORTH, December 16, 2022** - Funky Picnic Brewery & Cafe will be closing out the year with a ten-course beer dinner Saturday, Dec. 31 and kicking off 2023 with a new brunch menu debuting on Sunday, Jan. 1.

The New Year's Eve beer dinner will be hosted in The Back Room and features ten courses of passed bites and desserts leading up to a midnight toast. Each dinner ticket includes choice of either four beers, two glasses of wine, or two craft cocktails, with drink pairing suggestions offered up for each course to help guide the guest's selection.

"Inspired by a New Year's Eve spent with locals and friends in the Italian countryside, this dinner is designed as a shared meal experience with great drinks and conversation leading up to welcoming in 2023 with friends and community," said Samantha Glenn, co-owner and general manager.

The New Year's Eve menu, created by Funky Picnic Chef Josh Rangel and team, includes elevated dishes such as bacon-wrapped scallops, lamb pops, and lobster bisque as well as several desserts including sticky toffee pudding. In addition to the provided drink options, guests will enjoy samples of rare beers from the Funky Picnic team and a complimentary champagne toast at midnight.
